April

Sunday 1 Ft Macleod

Weather fine, but a little cloudy. Church as usual. Was not perfectly satisfied with the marching of the Presbyterians the rest were all right. A large number of people in church and the choir good. I lent the parson a team and driver to enable him to hold service at Peigan Mission. Inspected the barracks and everything etc etc after church and found it all correct except doors of cupboards in one or two of the rooms and the R.R. Had the parties cautioned.

Monday 2 Ft Macleod

Weather fine but very windy. Busy at routine. One Serg up for not having the guard turned out at retreat and neglecting to report that it had not been done. Sgt Nicholson(?) was the man a good non com. I cautioned him but the next will catch it if I am spared to try him
____ says that there are no ____ in D Division ____ and that he will produce(?) all. This is apropos of a complaint of a complaint from H Qrs re the Stock taking board.

Tuesday 3 Ft Macleod

Weather fine. Routine. Wrote Cuthbert re the hay at Pincher Creek
Wired O.C. Calgary re the saddles ____ as transferred to Calgary (E) in June 1888. Got stores put on reqn for officers mess etc
Wrote ____ and Duggan saying I could not meet their accts(?) before July next.
Told S.M. to attend to everything

Wednesday 4 Ft Macleod

____ and Duggans letter replied to. Cannot do anything for them before July if then.

Ordered S.M. to see about the manure for the garden. Sergt Brown says he sent all ___ was for the last two months.

Dave Cochranes man caught stealing manure for Dave, had no excuse. Wrote for balnkets and the harness blacking
Walked around the barracks and square and looked to mattters
Sgt Jarvis here from ___

Thursday 5 Ft Macleod

Weather fine. All hands busy at cleaning up the square, gardening and all sorts of work. Busy ___ ___ at routine
Fined Constable ___ \$10.00 for being drunk etc in barracks I also awarded 7 days C.B. in accordance with my scale
The men are preparing for the building of the magazine and the cells in addition to the guardroom ___ being put up.

Friday 6 Ft Macleod

Weather fine. All hands busy at cleaning up ___ building the magazine and cells, repairing and all sorts of work and gardening.

Cochrane came up to see me about the quarantine I explained the matter to him. He says he is bringing in about 2500 head of steers to fatten and mature on the range.

Party at my house to see Insp Casey off.

Saturday 7 Ft Macleod

Weather fine. Busy all day Lots of work going on I ordered rope for skeleton and squad ___ for the Inspectors.

Also put in orders ___ the names of the officers to have a sub division in each division. Leavings and Mosquito Creek to be attached to the ___ sub division

___ that a little rivalry will do no harm. Lectured the S.M. in the presence of Inspr Sanders re conduct and bearing towards the officers.
