~~Left ___ to at 8:30 and arrived here in th~~
In town all day. Nothing doing but ___ re the mines.

Saturday 10 Whitewater BC

Left Kaslo to-day at 8:00. Left this place at 10 ~~7:30~~ and reached the Ibex at 11:30 PM. The trail is good but steep. Saw the surface of "Florence" and "Ibex" mines. There is a fine ___ ore from 8" to 22" Tunnel commenced on ___ of "Florence." Also the drifts are being run on ___ of Ibex from tressel(sic) and the tunnel being driven to what is considered the true vein Tretheway doubts but thinks he can drive in another 40 feet and that if we get it with ___ we can get \$400 000 for the mine. Retd at 8:30 PM tired .

Sunday 11 Whitewater BC

Weather fine. Rode to McGuigan siding with Herron and Tretheway. Nicholson ___ who was in Col Smiths regt in 85 went to show us the way there. Macdonell went by train ___ and got a horse from Nicholson at that place. We then rode up to the "Ruby Silver" mine and arrived at 12:15 4½ miles by wagon road and 1 1/2 by pack train to the mine. Found good cabin and one house and six men at work cutting(?) the mine Tunnel in 103 feet to tap vein at 40^{ft} got good specimens [*next page*] specimens of ore ___ dined at 5:30 left at six after a thorough examination of the mine all its ___ and surface as well as cuts and tunnels. A good showing of ore on the property in two veins. Assays taken 109.7 of silver and 63.0 % of lead ___ in the lowest grade vein ___ 12 inches wide Arrd here at 9:30 PM

Kaslo Monday. 12th

Left Whitewater by train and got here at 4:00 in good shape hot a little stiff from climbing but Tretheway felt it too.

Tuesday 13 ~~Macleod~~ Kaslo

Weather fine, busy all day.

Wednesday 14 Kaslo B.C.

Busy all day. Gave orders to the Secy B Co and Macleod Co were to have their a/c ready and the a/c settled up ready for the meeting.

Thursday 15 Kaslo B.C.

Up early. Arranged the lease of the Macleod Co offices for six months. saw Gibson. He is of the opinion that the companies must be kept separate and I agree with him. Told him that it must be so and that bonds must be furnished by the Treasurer. That ___ Steele could keep the books of the Little Phil and that care would be taken that ___ Steele and he were to be the sole managers out here. Saw Bryan and talked over ___ matters and arranged that the ___ at Kaslo receive the ore.

Friday 16 Kaslo B.C.

Weather fine. Contract for packing signed for "Ibex" and "Florence" mines. 300 tons ore in three months or less at \$8.00 per ton and the use of the pack train as long as packing can be done with as soon as the raw hiding season commences. An advance of one thousand dollars given to enable them to start and to buy some mules. Packing to commission on the 20th instant.

Saturday 17 – Wednesday 28 Blank

Thursday 29 Macleod

Weather fine. Nothing of importance going on.

Friday 30 Macleod

Weather fine. Went down to Woodbury(?) Creek and saw the concentrator of the Canadian Pacific Co. It works well but want burners(?) on sluice tables so as to save more, the saving ~~is~~ effects will amount to 18% per cent. Mitchell was with us and gave it his opinion that our BC ore is magnificent indeed. Returned in the evening.

Saturday 31 Kaslo

Weather fine. Busy all day. Made Fred Steele transfer 45 000 forty five thousand shares Black Diamond Stock in security for money for which he drew upon ___ and ___ applied using it for the Ibex and for the Black Diamond Mines when it really belonged to the Macleod. Meeting of Ibex Co adjourned until its annual meeting. Made rules for the guidance of the company. All cheques to be signed by the treasurer and countersigned by the secretary.

August

Sunday 1 Kaslo

Gibson F Steele and I signed books of record for Macleod Company

Black Diamond directors met and accepted the resignation of Fred Steele as treasurer and a salary disallowed to him Clarence Steele app^{td} at five dollars per month a nominal salary so that he could have the authority

The bookkeeper Mr Fraser to be discharged on the 1st oct as \$45 per month only will be given. Clarence Steele then to take the job of Secy treasurer at 75.00 all other things arranged in a businesslike shape. Closed 1:30 Monday(?).

Monday 2 ~~Revelstoke~~ on Columbia R.

Tuesday 3 Revelstoke

Reached here at 3:00 PM having come up the Columbia all night. Reached "Arrowhead" at 11:30 and ~~arrived~~ left at 1:30. Put up at CPRy hotel. Herron and Mac with me. Met Spragge and McAllen(?) as well as John Keen Recorder of ~~Revelstoke~~ Kaslo. Met Arthur Dick a wreck and a drunkard. This is a good hotel well managed like most of the CPR got pass extended by Mr ___ Mr Forest ___ very civil to us.

Wednesday 4 Calgary

Left [*caret*: Revelstoke] at 9:45. Heavy train with passengers _____ at a number of Christian Indians on board – Mac Herron and I were busy showing them the scenery of the Mts. A glorious day for it. got there on Thursday at 4- 2:30 AM. Zack Wood and Jack Johnston met us on the train. I did not go down to Woods because I had to leave in the morning if I could get a train to Macleod. Wood seemed huffed and went off with some of the Calgary English _____.

Thursday 5 Calgary

Tried to get a train this AM at a time that would _____ us to leave after _____ people but it went off too soon. Saw Hulls manager at once (Blair) and told him all about the country, W Kootenay and what had been done in the mines. Had nothing to do all night or day. Saw Hull and several others at the hotel. Went to bed at 11:00. Wood had come but did not stay a minute he got with a gang of the same sort. I did not see any more of him but I am not surprised.

Friday 6 Macleod

Up at 6:00 and found train not ready. Left at 10:00 and reached High River at 2:45. Train heavy and had to be divided here – seven cars left and fourteen retained. Arrived here at 6:30 met at train by Alice, _____ James(?) and two teams Found Capt Deane away. Wired Regina at once that I had arrived, also told Morgan to - wire Capt Deane the same. Very busy in catching(?) up the work.

Saturday 7 Macleod

Busy all day putting things in order for a fresh start at work. Did a great deal.

Sunday 8 Macleod

Busy all morning writing letters. No church parade.

Monday 9 Macleod

Busy all morning at police work. Fined Tucker(?) ten dollars. Ordered descriptions of men deserting from CPRy work to be sent to Calgary and other posts Ordered that the men who got money on security from ~~the C.P.~~ Cowdry Bros hand it over (the security) at once.

Tuesday 10 Macleod

Weather hot. Nothing doing.

Wednesday 11 Macleod

Weather fine. Train came in today. Mr. McCreary Comr of Immigration arrd last night saw him this AM and had a long talk over the Alien Labour Law. He left for the east by train. Several men ran away from their masters and had to be arrested. Warrants were issued to arrest them.

Thursday 12 Macleod

Weather very warm. Very busy all day. Could not get clear from the Orderly room until very late Gave a lecture to Eight men who were put in the guard room yesterday. They promised to go back to their employment at once. The railway men are a nuisance to us all. Sgt Rory supposed to be drunk.

Friday 13 Macleod

Arranged for Corpl Nelson to go down on the railway line, between the Strong ranche and ____, and to ask ____ to prosecute. Wrote and wired Gibson. Wrote & wired James B Clarke. Sgt Rory arrested for being drunk.

Saturday 14 Macleod

Wrote James BC Clarke and wired him re payment and when due on "Little Phil" Mines. Morgan up for being late for the kit ~~parade~~ parade. Mailed J B Clarke the whole of the papers from Gibson to me and from me to Gibson. I hope we will have no more trouble.
